SYNOPSIS OF INCIDENT/CITATION OF APPLICABLE RULES, LAW OR PROCEDURES/OTHER PERTINENT INFORMATION

On August 14, 2015 at approximately 11:35 p.m. PO Townson was off duty. PO Townson made the location of Curtis and Mendota, the area of his child's mother's residence, in response to a call from his child, who claimed there was a disturbance at the location. PO Townson called and asked PO Ways and PO Blanding, both off duty, to make the location to assist. Upon arriving at the location, a domestic argument began between PO Townson and Mr. Demar Parker. Upon the arrival of PO Ways and PO Blanding, Mr. Parker fled the scene. Mr. Parker returned moments later, driving a vehicle. Mr. Parker drove the vehicle in the direction of PO Ways. Fearing for PO Ways' life, PO Blanding fired his department issued weapon at the vehicle. PO Ways jumped out of the path of the vehicle. The vehicle then fled the area. The incident was documented on Detroit Police Department Crime Report Number (Crisnet) 1508150020.

A review of the submitted reports reveals that PO Townson was not directly involved in the use of force and was only a witness to the incident following his initial interaction with Mr. Parker. PO Ways' safety became jeopardized by the actions of Mr. Parker. PO Blanding used force in fear of the safety of PO Ways. Force Investigation completed Case #15-032 with a finding of EXONERATED for the deadly force assault by PO Blanding.

Following my review, I recommend that PO Townson, PO Blanding and PO Ways receive legal representation.
